

SCOPE OF QUALITY MANAGEMENT SYSTEM

Condor Marine Services Limited has determined the boundaries and applicability of its Quality Management System in order to establish its scope.

When determining this scope, **Condor Marine Services Limited** has considered:

- The external and internal issues and the requirements of relevant interested parties referred to in 4.1 and 4.2 of the ISO 9001:2015.
- The products and services of the organization which include:
 - **Supply, Operation and Management of Vessels**
 - **Crew Management Services**
 - **Marine Technical Management Services**
 - **Marine Consultancy, Advisory and Training**
 - **Integrated Logistics Management**
 - **Maritime Security & Protection Services**
 - **Technical Project Management**

The organization takes into consideration planned or performed work activities; compliance obligations; organizational units and functions; physical boundaries; and its authority and ability to exercise control and influence.

Condor Marine Services Limited has determined the processes such as Top Management, Human Resources & Admin, Finance, Operations, Technical, Sales/Marketing, Logistics/Procurement, Compliance needed for the Quality Management System. Our office address is Plot 10, Dr. Omon Ebhomenye Street, Lekki Phase 1, Lagos.

The organization has applied all the requirements of this International Standard where applicable except for **Clause 8.3** (Design and Development of Products and Services) of which the organization's activities do not include design and development of services.

This scope of our QMS shall be available and maintained as documented information and available to relevant interested parties as appropriate to our organization.
